

## 2010 CIRCLE TOUR - GWRRA WI-G

# WET AND WONDERFUL WISCONSIN

**Wisconsin is known nationally for the quality of its water resources. There are many towns whose names reflect our watery heritage. That is the theme of this year's circle tour.**

The entry fee is \$10 for each participant (rider and co-rider) in the tour.

If traveled in a loop the tour covers approximately 250 miles from the metro Milwaukee area and back. If you want to do so, it should be able to be ridden comfortably in one day.

Each town on the tour has some point of interest or landmark about which a question must be answered to show that you have actually visited the town.
