

DIRECTOR'S NEWSLETTER

JANUARY, 2010

Happy New Year to everyone! We welcome in the new year knowing that the shortest day has passed, and at least we know that the days will begin to get longer if not warmer!

As we enter 2010 let us once again welcome and enjoy the twelve months of the new year:

Snowy, Flowy, Blowy, Showery, Flowery, Bowery, Hoppy, Croppy, Droppy, Breeze, Sneezzy, Freezy.

Chapter G held a New Years Eve Party on December 31. As in past years everyone who attended brought a dish to pass. We held a White Elephant gift exchange, which was a lot of fun. We put on our party hats, got our noise makers ready and at 12:00, we brought in the New Year with lots of noise and lots of well wishing. It was a wonderful evening and we would like to thank Terry & Anna Werth for putting the party together and for inviting us into their home to celebrate the New Year.

For those planning on attending, Wisconsin Wings WINGO will be held on January 16, 2010 at the Ixonia Firemen's Hall in Ixonia from 1pm to 4pm. A link to the flyer is available on the District website homepage.

It's almost that time again for Chapter G's annual Winter-Get-Away in Wisconsin Dells which is scheduled for the first weekend in March (March 6 – March 7). We will reserve a block of rooms at the Mayflower Motel, 910 Wisconsin Dells Parkway, Wisconsin Dells, WI 53965. This year our Winter Get-Away events include; magic by Larry Gates, Tour of Aldo Leopold Legacy Center, Danny Hiller's Amazing World Of Trains, Breakfast-Lake Delton or Dells area, and Big Cat Rescue in Rock Springs if weather permits. Hope to see you there!

Tom & Kenlee Ballmann

Chapter Directors

Upcoming events for Other Chapters & District:

January 16 - Wingo

February 6 - Chapter D's Casino Day

February 20 - Chapter E's Pizza Party at the Ranch

March 6 - Leadership Skills Training

Harley Museum and dinner at Motor

Lynn Borkehagen organized an event where 19 people converged for an outing with Chapter G at the Harley Museum in Milwaukee on Saturday January 9th.

The exhibits spanned from 1903 with a production of 3 motorcycles to currently producing Harleys by the 1,000s. There were innovations that were never produced, multi engine bikes, light bikes, chrome bikes, military bikes, and bike bikes. There was information galore regarding the Harleys in the world wars, women on motorcycles, and even an Elvis Harley. People got to sit on old and new Harleys, got to design a cycle, got to watch videos on the history of Harley, and sit at the kid's area and sketch motorcycles.

The collection showed the progression and evolution of the Harley motorcycle, adaptations, and variety.

After visiting the museum we went to the restaurant on grounds called "Motor".

The meals were reasonable and a good variety of epicurean delights were enjoyed.

It was a nice easy 3 hours spent with friends, hope to see more at the next event 2 wheeling or 4!!
