Ride and Hike with Safety and Caution

Ginny and I have been blessed with the good fortune to have toured all continental 48 states, and parts of Canada and Mexico on our Gold Wing. I estimate that we camped 90% of the time, weather permitting, and made sparse use of motels when the weather would not cooperate. Our experiences have been positive for the most part, but only because we made diligent use of safety practices and adopted a strategy of being well prepared for the unexpected.

Director's News Letter September 2009

Chapter G hosted our 3rd Hunger Task Food Drive at our July Social and collected over 300 lbs of food along with a cash donation from our very generous members. We would like to thank everyone who helped by making a donation to support this most important cause “feeding the hungry“. Your generosity is and will be greatly appreciated by many.

Chapter G members participated in the MS 150 Best Dam Bike Ride by volunteering their time in support for the bike riders both Saturday & Sunday. Saturdays leg of the ride took the riders from Waukesha to Whitewater, and Sunday's from Whitewater to Madison. The riders appreciate the support provided by the Goldwing's and we appreciate the endurance that it takes to ride a bike that many miles to raise money to help find a cure for MS. Thanks to all our members who participated in this years ride!

Chapter G members also participated in this years Ride for Kids event in Middleton, WI on August 2nd. The police escorted ride through the Wisconsin countryside continues to be by far one of the best rides we have ever been on. There many bikes, all makes & models and GWRRA chapters were well represented. What a wonderful way to spend the day, not only going on a ride, but also raising money for this most worthy cause. This years ride, as in years past surpassed the fundraising goal set. And as always, the kids were the stars of the day!!

As always, remember it's not about the destination, it's about the ride, so please ride safe!
