From the Chapter Director

It is not the destination, but the ride. As I write this, my last article as Chapter Director of Chapter WI-G, I cannot help but reflect on how quickly the three years have gone by. The many hours spent on scheduling, planning, and conducting activities for Chapter G hold many fond memories for Ginny and me, and even though the work was sometimes exhausting, the outcome was well worth the effort. We have made many new friends and have made bonds with old friends stronger as a result of our tenure in office.

Three years ago, upon assuming the duties of Chapter Directors, we made it a point to stress to the membership that it was not our chapter to run our way, but that it was your chapter. We promised that we would do our best to act as facilitators to accomplish whatever activities you would propose and to lead the chapter in whichever direction you wanted to pursue. We tried many new concepts, most of which were successful. We have learned much from both our successes and our mistakes. Above all, we have always striven to do what was best for the Chapter.

Any organization is only as good as its members. The same holds true for GWRRA chapters. Ginny and I were blessed with a terrific staff, who went far above and beyond whenever the need arose. We would like to express our gratitude to our staff and also to all the members of Chapter G who showed their support by participating in the chapter's activities. We could not have accomplished what we did without your support.

We are confident that we leave leadership of Chapter G in good hands, with Tom and Kenlee Ballmann assuming the position of Chapter Directors. I encourage all members to give them the support they deserve and to be open to requests for a position on their staff.

Once again, Ginny and I would like to thank all the members of Chapter G for allowing us the opportunity to serve you. You are truly family. Thanks for the great ride!

RIDE SAFE!
