Look Where We've Been...

2007 Color Ride

Sunday morning, September 23, turned out to be a perfect day for our Fall Color Ride. At the 9:00 AM start, it was probably about 68 degrees. By noon, it felt like about 75 degrees. The sun and the wind, the comfort of our jackets, and the beauty of the countryside combined for a truly enjoyable ride.

Once out of town, we followed a winding up and down rustic route. Signs of Fall were everywhere. Dark green, light green, lots of yellows and browns and crimsons, and occasional splashes of brilliant red. Everything from panoramic vistas to Kettle Moraine forests that surrounded us with intriguing beauty were enjoyed by all.

At Parnell Tower, the highest point in Sheboygan County, the State Park Warden showed up shortly after we arrived. Needless to say, we all pulled out our wallets and paid the necessary fee for an hours hike up to the base of the tower, and the workout of climbing to the top of the tower 80 feet higher. Sometimes the mind is strong but the body is weak. About half of us made it to the top of the tower and turned the achievement into a picture taking party. Even those who didn't make it to the top had a good time trying.

Twenty (20) of us feasted on the brunch at Chissy's Pub and Grill in East Waldo. I had BBQ ribs, tenderloin tips in gravy, ham, sausage, bacon and eggs, and about 8 other entries. For us, and only for us, they baked 17 slices of delicious apple pie and served it warm out of the oven with a slab of melted American Cheese on top. Instead of charging us an extra \$1.00 for this special treat, they included it in the \$9.95 cost of the all-you-can eat brunch. Many of us were so pleased by their food, generosity and hospitality, we will go back there again.
